Transformerz Fire School 2024

Our Fire School is for tweens and teens who answer yes to one or more of these questions:

- Are you a Christian tween or teen?
- Are you 10 to 18 years of age?
- Do you desire a deep and intimate relationship with the Lord?
- Do you want to know your God-given identity?
- Do you want to do signs, miracles and wonders...like the Bible talks about?
- Do you want to learn more about the Bible?

Our School is built on the following three foundations:

Be transformed to transform

The Transformerz Fire School facilitates exciting opportunities where tweens/teens can be transformed by the all-consuming Love of God and the renewing of their mind. This school also equips them to do like Jesus did on earth,

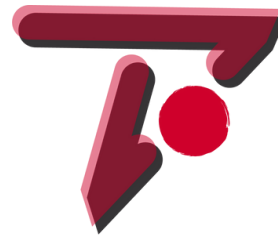

(like pray for the sick and share a prophetic word) as they wisely transform their world by the Power of the Holy Spirit.

Innovation

Our tweens and teens are created in the image of God. God, the Creator, created them to create. To be innovative! To bring Heaven to earth! The Transformerz Fire School will encourage our tweens and teens to step into some of the irrevocable giftings and callings on their lives

Daring Freedom

The Transformerz Fire School dares tweens and teens to experience freedom. This freedom comes when they are set free from inner pain, oppression, burdens, sin, disease and so much more. At the Fire School they will experience the healing power of God and learn who they truly are in Christ.

Our Fire School Programme

Faith Risk Challenges

Tweens and teens love to walk in the Power of God and to see signs, miracles and wonders. At our Fire School we challenge our tweens and teens to heal the sick, prophesy, show compassion and to follow the leading of the Holy Spirit in their daily lives.

During our Fire School, we give our tweens and teens specific challenges that will require them to be brave, courageous and to step out in the Power of God. These are called Faith Risk Challenges.

Bible Studies

During the school year our tweens and teens will be encouraged to read and study their Bible. We are trusting God to give them an overwhelming love for His Word. At Transformerz we develop Bible Studies for this purpose.

3

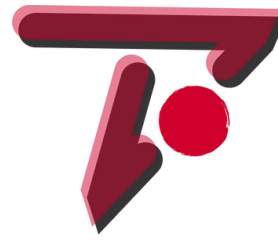

Bring heaven to earth

Tweens and teens will learn how to cultivate their giftings and practices such as healing, prophecy, evangelism, intercession/prayer and deliverance.
